Re: Mendez v. Molly Wasow Park, et al., 24-cv-2486

Urgent Request for Extension: Retaliation, ADA Violations, and Failure to Address Housing Needs by Shelter Staff

Dear Judge Ramos,

I am writing to respectfully request a fourteen-day extension to file a reply to defense counsel's 24-page response dated July 8, 2024, regarding my urgent request for intervention concerning retaliation, ADA violations, and the failure to address housing needs by shelter staff. Given the length of the response and my disability, I require additional time to adequately prepare my reply. Please note this extension is requested from the date of this writing July 18, 2024.

I appreciate the court's understanding and consideration of this unusual request. I assure you that such a request will not recur.

Thank you very much for your time and attention to this important matter.

Respectfully,
Franklin Mendez
